CHAMPAIGN COUNTY COURT
OF COMMON PLEAS, et al.,

Defendant.

NOTICE OF PRELIMINARY PRE-TRIAL CONFERENCE

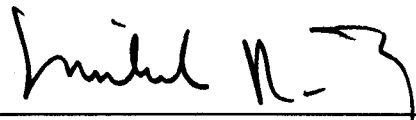

The preliminary pre-trial conference in this case is hereby set for **Thursday, July 19, 2001, at 8:45 a.m.** The parties are directed to be available at the office telephone numbers listed in the docket of this case or to advise the Court of a number at which they can be reached.

If this setting conflicts with a previously set matter in another court of record, counsel with the conflict may obtain a continuance on motion including dates on which all counsel will be available.

Counsel or the parties will have received, more than two weeks before the conference, a suggestion of consent to plenary magistrate jurisdiction. Because we need to know which docket to schedule the case on, please let the courtroom deputy clerk know your desires prior to the conference. Failure to consent will have no adverse substantive consequences.

Pursuant to Fed. R. Civ. P. 26 as amended December 1, 2000, all parties to this case are required to participate in pre-trial disclosure of evidence under Rule 26(a)(1) and the conference of parties to plan discovery under Rule 26(f). The Court's General Order No. 1 on pre-trial and trial practice (attached) has been changed to reflect these amendments. Therefore, immediately upon receipt of this Notice, all parties and counsel shall consult to set a date for the discovery conference which must be held not later than twenty-one days before the pre-trial conference with the Court. Not later than fourteen days after the discovery conference, the parties must submit a report to the Court in the form attached hereto. Unless otherwise agreed in the Discovery Plan, the parties must make the disclosures required by Fed. R. Civ. P. 26(a)(1) not later than fourteen days after the Discovery Conference.
